PUBLISHED WEEKLY IN CANAL POINT BY PAUL RARDIN

CIRCULATING THROUGHOUT THE VAST AGRICULTURAL AREA OF PALM BEACH COUNTY

Boat Club Show Is Voted A Success

Members of the Pahokee Boat Club at a meeting in the American Legion Hall Tuesday night gave James H. Wilson, club president a vote of thanks for his leadership and work in helping to make the club's first water show at the Pahokee waterfront last week an outstanding success.

Wilson named Billy McKinstry to serve as acting head of the club while he is away this summer on vacation. He also appointed Perry Duke, Joe Cherry and Billy McKinstry on a special advisory committee to meet with the Pahokee City Council Friday night, June 26, when a new safety ordinance for the city will be drawn up.

Saturday, June 27, was designated as a work day when members will meet at the waterfront to complete the work of shoring up the ski pickup ramp and boat dock, and continue the work of clearing the beach. Louis Mims and Sam McKinstry, Jr., will direct this work.

Canal Point Lions Hold Ladies Night

Canal Point Lions at their regular dinner meeting in the Community Park building Monday night elected Floyd Erickson as club secretary to fill the vacancy left by the resignation of the Rev. James R. Roy when he moved to Miami to assume his new charge as pastor of the Floral Heights Baptist Church.

President Delmar L. Hooks, as chairman of the committee in charge of collecting sufficient funds to pay the Florida Power and Light Company for a year's service of street lighting in the Canal Point area, reported the total collected to date is still \$70 short of the required amount and this must be raised by July 1 when the new contract between the power company and the Lions Club, acting as agent for the Canal Point residents is to be signed.

The club voted to change its method of collecting dues and dinner charges, all collection in the future to be made once a month, every first Monday of the month.

Instruction School Held By Masons

The Masters and Wardens Association of the 26th Masonic District conducted a school of instruction on second degree Masonry in the Masonic Hall Sunday afternoon, with Everglades Lodge 211, F&AM, acting as host.

Harris Baker of West Palm Beach served as instructor in the absence of Claude Finley, district instructor, who was away on a vacation.

Following the school of instruction and a brief business session, refreshments were served by members of Lodge 211, with John E. Rogers in charge.

Dr. Charles Allen Thomas, president of Monsanto Chemical Company, is quoted as telling a congressional committee that private industry could build equipment now to produce electric power from atomic energy.

McClure Takes Over As Rotary President

O. B. McClure took over the president's gavel from Elmer Jones at yesterday's meeting of the Pahokee Rotary club. President McClure will preside over his first meeting next Thursday. He will announce appointment of his committees at that meeting.

Outgoing President Jones gave an interesting talk in which he summed up the club's accomplishments during the past year. He planned an interesting program for his last day in office. He presented Little Misses Barbara Hall, Pam Boe, Verlon Jones, and Myra Jones in novelty songs and dances. They won immediate applause from the Rotarians.

Funeral Held For Seth F. Graydon

Funeral services for Seth Franklin Graydon, 69, of Pahokee were held at the Ivy Creek Church in Rutledge, Ala., Sunday.

Mr. Graydon died at his home on West Main Street, Pahokee at 11:30 p. m., Friday. He was a resident of Pahokee for 10 years, coming here from Rutledge, Ala.

Survivors include his wife, Nornie, Pahokee; a son, S. E. Graydon, Montgomery, Ala.; four daughters, Mrs. Annie Lou Cooper, Pahokee, Mrs. Agnes Prier, Jourdanton, Mrs. Trudie Wallace and Mrs. Ludie May, both of Rutledge; two sisters, Mrs. Mary Bordeaux and Mrs. Lillian Deavers, Rutledge.

Berry's Funeral Home was in charge of local arrangements.

Pahokee Youths At Boys State

Wayne Burdeshaw, son of Mr. and Mrs. Price Burdeshaw of Pahokee, and Edwin Stuart, son of Mr. and Mrs. C. L. Stuart of Canal Point, are representing Pahokee High School at the 1953 session of the American Legion-sponsored Boys State in Tallahassee this week, June 21-27.

Members of the 1954 PHS Senior Class, the two boys were chosen by the high school faculty for Boys State on the basis of scholarship, citizenship and student leadership. Their sponsor, Fred and Percy Mansfield Post 90, Pahokee American Legion, was assisted in the financing of the trip to Tallahassee by local civic groups. The Boys State program of events winds up with the big ball in Tallahassee Saturday night.

Mrs. Armstrong To Head Membership

Mrs. L. W. Armstrong was elected chairman and J. V. Thomas, secretary of the Evangelism and Membership Commission of the Pahokee First Methodist Church at a meeting of the commission with group captains and the pastor, Dr. Rembert A. Guy, to outline activities for the summer. The meeting was called by Mrs. John A. Dulany, the retiring chairman.

Mr. and Mrs. Pope Sears were the guests of Mr. and Mrs. J. F. Cresson in Orlando Sunday.

Equipment May Be Secured Locally For Playground

Playground equipment worth \$2,000 is slated for use by Canal Point youngsters merely for the price of a small plaque at the grounds site designating the name of the equipment donor. County Commissioner Paul Rardin said this week that a New York foundation, which has a multi-million dollar fund for just such recreational facilities where there is a need, has offered to make a gift of the equipment to the county if it will maintain the playground.

The established county park area is not large enough to handle the added equipment the commissioner said. But the sugar company which gave the county the present area will make available the additional site.

It has refused to sell the property, but the commission authorized County Attorney Harry Johnston to arrange a long term lease and handle other matters prior to accepting the foundation's offer.

Rardin said the Canal Point Lions Club, which had originally sought the playground, has volunteered to install the equipment.

100 Children Are In Pahokee Program

Approximately 100 children have registered for participation in the summer recreational program at the Pahokee city park and registrations are expected to increase daily until the program gets fully under way Monday, June 29, according to Coach William D. Howard, program director.

One of the popular phases of the program, which continues through July 31 under the sponsorship of the Palm Beach County Board of Public Instruction, are the daily swimming classes at the municipal pool in the park. Thirty-five beginners, 14 intermediates and 14 preschool age children have joined these classes.

Archery classes, open to children of all ages, will be organized Monday at 1:30 p. m., the archery equipment to be available for use only while the classes are in session.

Two new tables for table tennis, a new game known as deck tennis and a punching bag were included in the new recreational equipment added at the park this week.

Classes in court tennis are being conducted every afternoon, Monday through Friday, at 3. All boys interested in playing on a team in the softball league are asked to report at the ball diamond in the park at 4 p. m.

Fireworks Planned For July Fourth

A free fireworks show will be presented at the municipal pier on the Pahokee waterfront Saturday night, July 4, under the direction of Milton Carpenter.

Carpenter has been busy for the past few weeks collecting funds from individuals, business firms and civic groups to finance the display with nearly \$300 to go up in spectacular and beautiful fire.

Bob Chamberlain To Join Bramble Co.

Robert S. Chamberlain has resigned as secretary-treasurer of the Pahokee, Pelican Lake, East Beach Water Control District, East Shore Drainage District, a position he has held for the past several months since the death of Harold Rosenberg, to accept a position as office manager for the A. E. Bramble & Sons, Inc., a brokerage and trucking firm which operates in Pahokee through the winter months and in the New York-Delaware area in the summer. His resignation becomes effective July 1. He will go to Bridgeville, Del. for six weeks and then to Albion, N. Y., for six weeks before returning to Pahokee.

Summer Band Class Opened On Monday

The six-weeks Summer Band Program opened Monday at the Pahokee School under the sponsorship of the Palm Beach County Board of Public Instruction with an enrollment of 48 students, 29 regular band members and 19 beginners, this being the largest first day enrollment in the history of the summer program, according to Bandmaster Robert O. Lampi, summer band program director.

Beginners who complete the requirements of the summer course will be eligible to play in the Pahokee High School Band at the start of the new school year in September. Mr. Lampi expects the enrollment to reach as high as 60 students by the time the program gets well under way. There are still a few school-owned band instruments available for beginners, he said.

City Sells Tax Certificates

Thirty-three tax certificates totaling \$1,249 were purchased by individual buyers from Miami, Sebring and Pahokee at the City of Pahokee's annual delinquent tax sale held at the city hall.

Every certificate offered was taken by individual buyers, this being the first time in many years that the city did not have to make a purchase, according to Mrs. Dorothy Graham, city clerk.

Purchasers must hold the certificates for two years before foreclosure or until redeemed before the end of the two years by the property owners.

Former Pastor Visits In Pahokee

The Rev. and Mrs. James Edward Statham were overnight guests of Mr. and Mrs. George Ramey Thursday night of last week while enroute home to Key West from Lakeland where they attended the annual Methodist Conference. The Rev. Statham, former pastor of the Pahokee Methodist Church, was re-assigned to another year of service as pastor of the Fleming Street Methodist Church in Key West.

Protest Erection Proposed Motel

At a meeting of the Pahokee City Council Monday night a petition signed by 19 residents of the Poland Ridge residential section was presented to the council protesting against the proposed motel and eating place which Don Hillier, local contractor, plans to build at Poland Ridge.

The council tabled the petition for further study and decided to hold a special meeting Friday night, June 26, when this matter will be brought before the Zoning Board of Appeals for its decision. It was announced bids for the purchase of a new truck for the Street Department will be opened at this special meeting.

William B. Rhodes of Belle Glade was employed as city auditor, replacing Himes and Himes of West Palm Beach.

The repair of the "whiteway" street lighting system on Lake Ave. was authorized at the meeting.

Softball Games Planned By Lions

Plans for a softball game between the Pahokee Lions and the Canal Point Lions will be played at the Pahokee city park Wednesday evening, June 24, were announced at the Tuesday luncheon meeting of the Pahokee Lions Club. Following the game refreshments were served to wives of club members and other invited guests. Duncan Padgett, chairman of the social committee, and Gene Fallaw, chairman of the boys and girls committee, were named in charge of arrangements.

Guest of honor at the luncheon was Miss Donna Gail Jensen, "Miss Pahokee Boat Club of 1953," first place winner in the Pahokee Boat Club's beauty contest, who entered the contest against 21 other contestants under the sponsorship of the Lions Club. Miss Jensen spoke briefly, thanking the club for its sponsorship.

Clyde A. Canipe, Lions information chairman, explained plans for selling books for the benefit of the Lepers Colony in Louisiana.

Young Ladies To Attend Girls State

Miss Frances Wilson, daughter of Mr. and Mrs. Frank M. Wilson of Canal Point, and Miss Carol Carpenter, daughter of Mr. and Mrs. O. D. Carpenter of Pahokee, will leave Saturday for Tallahassee where they will represent Pahokee High School at the 1953 session of Girls State, June 28 - July 4.

The high ratings of both girls in scholarship, citizenship and leadership in their Junior Class at Pahokee High School the past year was the basis on which the faculty selected them for Girls State honors. Miss Wilson's week at Girls State will be being sponsored by the Canal Point American Legion Auxiliary Post 242, and Miss Carpenter's by the Pahokee American Legion Auxiliary, Post 90.

They plan to leave for Tallahassee Saturday in time to attend the ball Saturday night, the final event in the Boys State program.

Film Features Fabulous Florida

Following a premiere showing of a new film entitled "Fabulous Florida" produced by the Standard Oil Company, portraying highlights of Florida's scenic beauty, points of interest, industry and agriculture, C. T. Ade, Florida Division manager for Standard Oil, presents a copy of the film to Hon. Nathan Mayo, Commissioner of Agriculture. It will receive nationwide distribution and is designed to promote tourist travel to Florida.

Here Is What Transpired At Monday's Meeting Of The Palm Beach County Commission

Possibility of Federal assistance in combating beach erosion here came to light this week when County Engineer J. M. Boyd told county commissioners, Washington officials last week had assured him of their cooperation.

Boyd said an official of the Beach Erosion Board in a conference at the capital promised "cooperation" with local efforts to save the county's shore line. A letter from the federal board backing up its assurance is in the mail, said Boyd, and should be in the hands of the county commission this week.

Giving an incomplete report, Boyd told the commission he and two Town of Palm Beach officials who accompanied him are reading a full account of their talks with federal and New Jersey men familiar with the erosion problems. He did however say that an inspection trip along the Jersey coast showed the trio beach construction and grins similar to those proposed for this shore.

Under the Jersey plan which has been in operation for some time, Boyd said, 50 percent of the cost is borne by the State, 25 per cent by the county and 25 per cent by the town. Town engineers make their plans, then submit them to a state bureau on erosion which approves them and supervises construction.

Each groin, depending on its varying length, costs from \$40,000 to \$80,000, he told the group, and are spaced about five or eight to the mile. Boyd said New Jersey has found that steel and wood does not last long enough so they use stone groins for less maintenance.

A proposed purchase of Military Trail acreage for a new County Agriculture Dept. headquarters has been stymied by a property holder refusing to give up oil and mineral rights on the land, the commission was told.

Two weeks ago the county authorized purchase of the land for \$10,000 but Monday voted to withdraw the purchase offer in 30 days if they could not have a marketable title to the land. Such a title would exclude any reserving of mineral rights.

No word from Tallahassee on the State's plan for a mental hos-

pital in this area has been received, Commissioner Lake Lytal reported. He viewed the possibility of such an institution as slight since the state wants 640 acres and the county is not able to acquire such a valuable plot, he added.

Next year's budget, which the commission has been working on for the past several weeks will be presented in its tentative state on July 13, with final adoption the following meeting, July 27. Prior to adoption of the budget, the county plans to sit as a board of equalization the week of July 6 to hear complaints about county appraisals and assessments.

A report by Boyd and Commissioner Kenneth Foster revealed that right of way agreements for the extension of Lake Park Road west to State Road 7 have been completed. The commissioned deeded the rights to the state.

In other action the board:

Authorized the holding of criminal court in the west wing of the county jail since court house alteration work is already in full swing. Designated R. Bruce McKee, board treasurer, to study and check county budget items with the state at Tallahassee.

SINGERS TO MEET

The Glades Singing Convention will meet at the Lake Harbor Methodist Church at Lake Harbor Sunday afternoon at 2:30 p. m. All Singers are invited to attend according to Elmer Upthegrove, president.

Shipping of paper tonnage from the mill of the St. Regis Paper Company in Pensacola has increased from 60 tons a day in 1941 to 800 tons a day in 1952, officials report.

The automatic water heater, on duty 24 hours a day, is one of the hardest working appliances to be found in the modern home, says the Plumbing and Heating Industries Bureau.

Highway construction by the states this year is scheduled to reach over two billions, a 34 per cent increase over last year, according to Engineering News-Record, McGraw-Hill publication.

Cinematic Chatter

By Malcolm Millar

Hello everybody! A young actor who made such an excellent impression opposite Marilyn Monroe in "Class By Night" at RKO Radio now emerges in a sure-enough top role in the great story "Blackbeard the Pirate," headed this way for local showing: Son of a lawyer in Philadelphia, he had a year's prep course at Oxford and upon his return to America earned a Bachelor of Science degree at Temple University with the intention of becoming a teacher. However, he chanced upon an announcer assignment at Station WCAU, in Philadelphia. Meanwhile, he pursued his college course and graduated. Then America got into the war abroad and Andes entered the Air Corps. Because of his radio experience he was assigned to a Service show, in which he made use of his baritone voice, and later appeared in the show in New York and Los Angeles. In the later city he was signed by David O. Selznick. During along wait for roles he appeared in only one production, "The Farmer's Daughter." That popular young actor is Keith Andes, rapidly climbing to the top rung of the movie ladder of fame. See you at the movies—Mal.

FREEZER SALE

LEESBURG—Sale of the Leesburg Freezer Company here for \$1,325,000 to Teacher's Insurance and Annuity Co. of America was announced last week by C. H. Pitts, of Leesburg, local manager. The insurance company in turn leased the plant to Minute Maid Corp., it was learned. The huge plant which has a capacity of two and a half million cases of 48-ounce cans was completed last March.

Woody Strayer, son of Mr. and Mrs. Jack Strayer, represented the Canal Point Boys 4-H Club at the 4-H summer camp at Lake Placid the past week.

Canal Point Has 85 In-Program

The summer recreational program sponsored at the Canal Point School by the County Board of Public Instruction is being enjoyed by approximately 85 children of the community.

Outdoor activities include horse-shoe pitching, volley ball and similar supervised games. Within the school building classes in arts and crafts are being offered and library books are available for reading. Several educational films will also be shown in the school auditorium while the program is in progress. Mrs. Billie Huddle and Robert Crandall, members of the school's teaching staff, are directing the summer program.

Mr. and Mrs. O. W. Roach of Honolulu, Hawaii, arrived Tuesday for a month's visit with their brother-in-law and sister, Mr. and Mrs. Billy McKinstry and family, in Pahokee.

Carnival In Tampa Will Be Shown

TAMPA—"Carnival in Tampa", a 27 minute sound and color film portraying the Florida State Fair and Gasparilla Carnival, will have its premiere showing in Tampa this month.

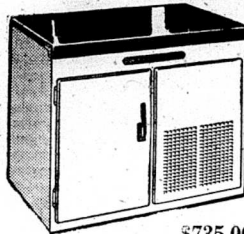

Rated as one of the finest films of its type ever produced, both from the standpoint of editing and photography, it covers the 50th anniversary of the Gasparilla Carnival and shows a complete and comprehensive review of the 1953 Florida State Fair.

The film was produced in a co-operative deal between the Florida State Fair and Florida State Advertising Commission.

Following its showing in Tampa it is scheduled at numerous points throughout the United States and Canada and will be used for television showings in many cities.

SIGNS OF LIFE

These are signs of life—and the life they save may be your own. Despite all efforts toward safety through the years, traffic deaths still total 38,000 a year. A terrible toll, one that every person who drives can help reduce.

It's no accident that telephone employees who operate cars and trucks are careful drivers. They're constantly trained in safety. The Bell System's safety creed expresses it this way:

"No job is so important and no service is so urgent that we cannot take time to perform our work safely."

SOUTHERN BELL

TELEPHONE AND TELEGRAPH
COMPANY

A SAFE PLACE TO WORK . . . A GOOD PLACE TO WORK

Defense is your job, too!

THIS IS A DAY OF DREAMS COME TRUE... for the returning Korean War veterans pressing against the ship's rail and for their loved ones waiting on the dock. The counted days of waiting are over. The nightmare of war is behind them. These boys have been far across the seas doing a hard, dirty, bloody job... a job of defense—for you.

But defense is your job, too. It is our job to help make America's economy as strong and dependable as these men have made her military power. And your job can be not only easy but rewarding—in financial security for you and your family. Just buy U. S. Defense Bonds. Buy them now and buy them regularly. For your bonds and other forms of saving can make America strong. And in this warring world, *strength* is America's surest guarantee of peace.

So sign up for bonds today—through the Payroll Savings Plan where you work or the Bond-A-Month Plan where you bank. For your security and your country's, too, buy United States Defense Bonds regularly!

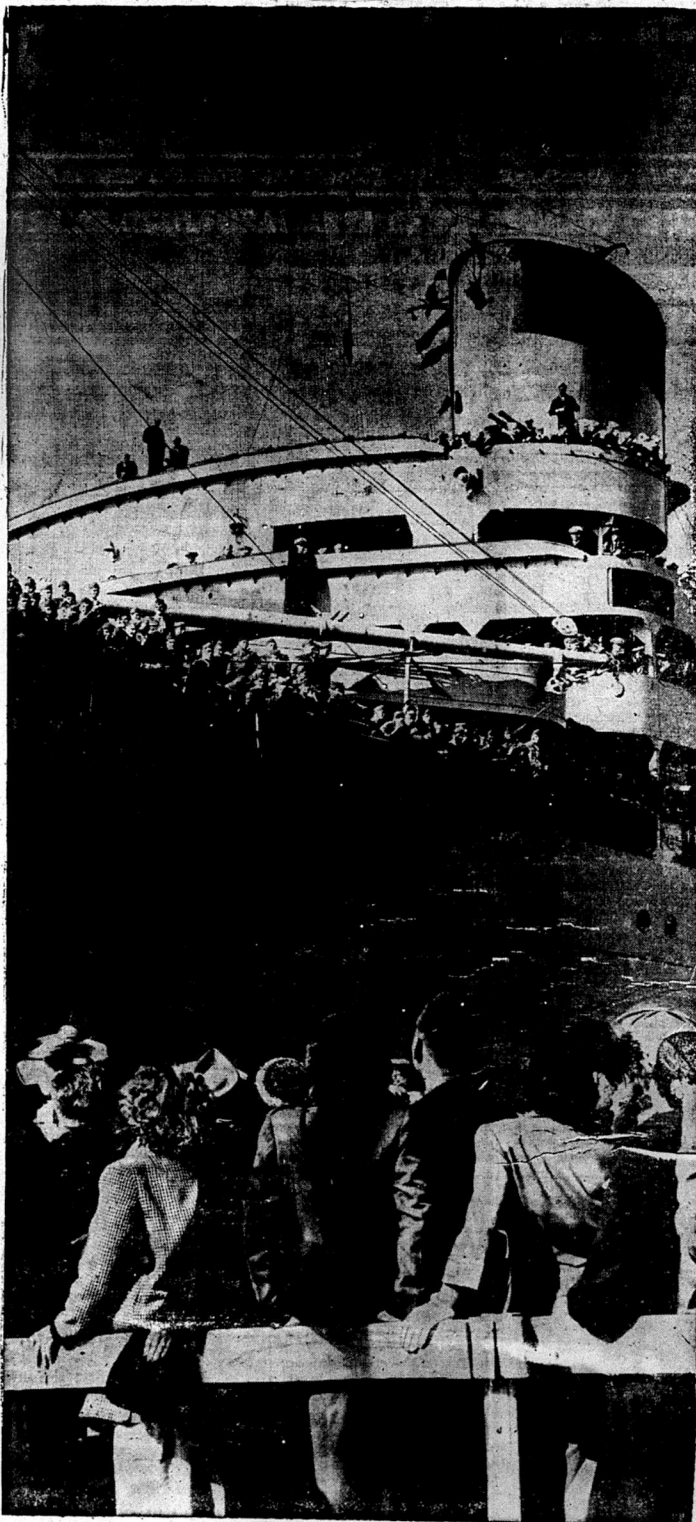

The U. S. Defense Bonds you buy give you personal financial independence

Don't forget that bonds are now a better buy than ever. Because now every *Series E Bond* you own can automatically go on earning interest every year for 20 years from date of purchase instead of 10 as before! This means that the bond you bought for \$18.75 can return you not just \$25—but as much as \$33.33! A \$37.50 bond pays \$66.66. And so on. For your security, and your country's too, buy U. S. Defense Bonds now! Bankers recommend them as one of the safest forms of investment.

The U. S. Government does not pay for this advertising. The Treasury Department thanks, for their patriotic donation, the Advertising Council and

IT'S DIFFICULT TO TEACH AN OUTLAW—THE GAME AND FISH LAW VIOLATOR—NEW TRICKS. BUT YOU CAN MOLD THE THOUGHTS OF CHILDREN INTO CONSTRUCTIVE CHANNELS OF CONSERVATION. THAT'S THE IDEA BEHIND THE JUNIOR SPORTSMEN'S CLUB MOVEMENT. THESE YOUNG FOLKS ARE THE BEGINNING OF A NEW GENERATION CONCERNED WITH AND PLEDGED TO DO SOMETHING ABOUT THE DISAPPEARANCE OF OUR NATURAL RESOURCES. FUTURE HUNTING AND FISHING OPPORTUNITIES DEPEND UPON THESE BOYS AND GIRLS. HELP SAVE OUR WILDLIFE!

PERSONAL NEWS NOTES

Dr. and Mrs. E. C. Johnson and children left Sunday for a month's vacation to be spent with relatives in Savannah, Ga., Seaford, N. Y., and other points north.

Among those who are spending a summer vacation at Fort Lauderdale Beach are Mr. and Mrs. Robert B. Simonson and children, Mr. and Mrs. Hugo Boe and sons, Mr. and Mrs. Lloyd Hundley and sons, and Mr. and Mrs. Leo Maxwell and son.

Mr. and Mrs. Loren Meredith and children plan to leave this week to spend a month's vacation with relatives in Pueblo, Colo.

Mrs. Nornie Graydon left Monday for a visit with her son-in-law and daughter, the Rev. and Mrs. Willima Trobaugh, in Alturas, Fla.

Mr. and Mrs. William D. Howard and children, accompanied by Mrs. Howard's mother, Mrs. Bertha L. Starling, visited relatives in South Bay Sunday.

Mr. and Mrs. Osceola Upthegrove and family visited the Rev. and Mrs. James R. Roy in Miami Sunday.

Councilman and Mrs. F. S. (Dick) Parrish and children plan to leave Pahokee on July 1 for a month's vacation at Fort Myers Beach.

Homer J. Clause of Lake Kerr, Citra, Fla., was the overnight guest of his son-in-law and daughter, Mr. and Mrs. Wendell Harris, Monday.

Mr. and Mrs. W. H. Jones, Jr., are spending a summer vacation with relatives in New Bern and other points in North Carolina.

Mr. and Mrs. H. J. Anderson and grandson, Timmy Kistner, who has been their house guest the past season, are leaving today for Bridgeport, Conn., where they will visit their son-in-law and daughter and Timmy's parents, Mr. and Mrs. Leon Kistner. They also plan to visit other relatives in Maine before returning home.

Mrs. Edna Barrett spent the weekend in West Palm Beach with Mr. and Mrs. Steve Irlor whose son, Billy, was recuperating from a tonsilectomy performed at St. Mary's Hospital Friday morning.

Mr. and Mrs. Kenny Mock and son of Lake Worth and Mr. and Mrs. L. G. Elabree and son of West Palm Beach spent the weekend in Pahokee visiting Mr. and Mrs. G. W. Byrd and J. C. Mock in observance of Father's Day.

Mrs. Howard Holman and children plan to leave today for a visit with her parents, Mr. and Mrs. Gaston Fisher, in Belmont, N. C.

DO YOU REMEMBER?

HAPPENINGS IN THE LAKE OKEECHOBEE REGION

25 YEARS AGO

Plans for the two-day farmers' rally, July 11-12 at the agricultural high school ground at Canal Point, will be completed at a meeting of committees at Canal Point today. The rally which will be a farmers' institute at which discussion of all major farm questions will be held, is the second one to be held at Canal Point, and a large gathering is expected.

Opa-Locka has been selected as the site for the first plant of the Aerocar Corporation, manufacturers of a new type vehicle to be attached to roadsters and coupes. Glenn H. Curtiss, inventor and designer, announced yesterday.

West Palm Beach, June 18.—E. C. Cole, secretary of the Southern Sugar Company, with headquarters at Clewiston, told members of the real estate board at its luncheon at the Monterey hotel today that his company late in 1928 will grind approximately 22,250 tons of sugar. Although sugar has been produced in the Everglades before, this will be by far the largest commercial grinding ever known in Florida.

With 16 cars loaded at Belle Glade-Chosen and six or eight cars out from the Canal Point-Pahokee district in the past week, the 1927-28 trucking season is practically at an end. Belle Glade's shipments were 15 cars of potatoes and one car of peppers. From Canal Point-Pahokee there was a car of mixed vegetables June 14, one of peppers and three of tomatoes on the 15th and no car-load loadings on the 16th or 17th. J. C. Cone of Canal Point was loading two cars of peppers this week.

Miami, June 19.—A new and superior water shipping service for south Florida winter vegetable growers, which includes cold storage facilities at the municipal docks and refrigerating facilities on two vessels of the Clyde Steamship Company's Florida fleet, was forecast for Miami yesterday when a request of the officials of the Clyde Steamship Company was filed with the city commission for an extension of the lease of the warehouse on Pier 2 now occupied by the Clyde Line under a three-year lease.

Belle Glade—Earl Brown had the misfortune of having his arm broken by a Ford car which he was trying to crank, last week.

Miss Ruby Newall, secretary of the experiment station at Gainesville, and Mrs. Nolan of Monticello were guests of Mr. and Mrs. G. E. Tedder last week.

Mr. and Mrs. W. H. Smith and Mr. and Mrs. Sill will leave on Thursday for their old homes in Georgia to spend the summer.

The Rutledges had another accident last week when their ice truck turned over and went into the ditch between here and South Bay.

Mr. and Mrs. William P. Jernigan, who were married at Monticello, Fla., May 23, arrived in Canal Point Friday, having completed a honeymoon tour that extended as far north as London, Ontario, and are now at home in their new house north of the canal. He is a chemist and farm superintendent of the Florida Sugar Company and has been a resident of the Canal Point district for four or five years. Mrs. Jernigan was Miss Amanda Folsom, formerly of Monticello, the daughter of Mr. H. T. Folsom.

Leon Latour, manager of the fish packing house, has returned from St. Petersburg, where he attended the annual meeting of the fish dealers' association.

A famous editor once told an apprentice reporter that "If a dog bites a man that is not news, but it is news if a man bites a dog." Well, it may not be news when a dog bites a man, but it certainly is news when an alligator bit a man near Pahokee this week.

Some surveyors of the Everglades drainage district were working down at Bacom Point Monday morning. They were walking through the tall grass quite a way from the water, when one of the men stepped on an eight-foot alligator which bit him on the leg, tearing the flesh. The injured man was hurried to Dr. Spooner who says the injuries are not serious. The alligator was captured and brought just outside of Wilder's drug store, where a large crowd viewed the reptile, as these have been scarce around Pahokee of late.

Mrs. Akerman moved to Mrs. Charley Atwell's home Monday. Her store, The Woman's Shoppe, will soon be moved into a building which Mr. Crosby is erecting for her between the club house and the main business section on Main Street. It is on the same side of the street as the club house.

The new home of Mrs. J. R. York proved a delightful setting for a buffet supper and linen lingerie show last Tuesday evening, given in honor of Miss Lola Elliott, a bride-elect of next month. The color scheme of pink and green was ingeniously carried out. Pink June roses and carnations with fern in green wicker flower stands were used as decorations in the living room and porch. The guests were received at the door by Misses Margaret York and Susie Maxwell, hostesses of the occasion. At bit of music and gossip was followed by a jumbled-letter contest, which when solved by Mrs.

Joe Guerry, was found to read "Supper Is Served." Those present were: Misses Lola and Lorraine Elliott, Ruth Fjeld, Alice Morris of Palm Beach, Gladys Dowda and Mesdames Kilpatrick, Guerry, Maddox, Stuckey, Dickson, Collins, Padgett, Morgan and Atwell.

The town of Everglades, county seat of Collier county, got a bit thrill last week when the first passenger train ever to enter its borders rolled down over the 41-mile Atlantic Coast Line extension from Immokalee. The train marked the completion of the railroad project which was begun almost two years ago. The finishing touches will be placed on the new line by July 1 and regular passenger service between New York and Everglades through Haines City will probably be inaugurated then.

W. G. Stovall, formerly of Pahokee and Canal Point and later a resident of Okeechobee, is now in New York City. He writes to The News from a part of New York City in which the theatrical district is located, which indicates he may have a connection with one of the enterprises connected with Barron G. Collier's amusement parks.

Beginning with the first Monday of next month, the Bank of Pahokee will close at 2 o'clock instead of remaining open as in the past—as long as anyone called. Cashier E. G. Kilpatrick, Jr., feels that after the heavy work of the shipping season he and his force are entitled to the shorter hours of other banks.

BIG OPENING SALE—Farmer Supply Company, Canal Point—Three 10c loaves of bread for 25c; Potatoes, 5c per lb.; Onions, 5c per lb.; Prince Albert, 2 pkgs., 25c; Camel Cigarettes, 2 pkgs., 25c; Clothing: Men's Pin Check Pants, 99c and up to \$1.50; Gingham Dresses, \$1.50 value for 9c; Hosiery 7½c and up.

Pastor Honored On Pahokee Return

Members of the Pahokee First Methodist Church and friends gathered at the church Wednesday at 6:30 p. m. for a sandwich supper and evening of fellowship honoring their pastor, Dr. Rembert A. Guy, and Mrs. Guy upon their return to Pahokee for another year of religious leadership and service.

Arrangements for the supper were made by the Woman's Society of Christian Service, with Mrs. Clyde A. Canipe and Mrs. Arch Blakey in charge. Gifts of welcome were presented to both Dr. and Mrs. Guy. Mrs. Blakey making the presentation on behalf of the group. A comedy skit was given by Mrs. Canipe.

The supper was followed by the regular midweek prayer service in the church auditorium.

CALLED TO ALABAMA

Mr. and Mrs. Seth W. Roberts were called to Slocumb, Ala., Tuesday by the illness of Mrs. Roberts' mother, Mrs. Mary McArthur, who fell and fractured her hip. Mrs. McArthur made her home for several years with the Roberts in Pahokee when they lived in one of the Stuckey residence on East Main Street and is well known here.

NOTICE UNDER FICTITIOUS NAME LAW

Notice is hereby given that the undersigned, pursuant to the "Fictitious Name Statute," House Bill No. 1173, Chapter No. 20953, Laws of Florida 1941 and House Bill No. 1102, Chapter 26-760, 1951, amending 565.09(1), will register with the Clerk of the Circuit Court, in and for Palm Beach County, Florida, upon receipt of proof of the undersigned, pursuant to the "Fictitious Name Law," to effect: STANFORD S. It Is Unlawful For Any Person Or Persons To Engage In Business Under A Fictitious Name Unless The Name Is Registered

The fictitious name statute was recently changed by the 1951 Legislature and the News has the necessary forms for proper registration and advertising.

The charge for advertising the notice the necessary four times is \$15.

As amended by the 1951 session, the law reads as follows:

"It shall be unlawful for any person or persons, as defined herein, to engage in business as herein defined, under a fictitious name as herein defined, without and unless said fictitious name shall be registered with the clerk of the circuit court of the county where the principal place of business is, which registration shall consist of filing with the clerk aforesaid an affidavit signed by all interested persons, stating under oath the names of all those interested in the business enterprise, the extent of the interest of each, and the fictitious name under which said business is carried on. Said registration may not be made until the person or persons desiring to engage in business under a fictitious name shall have advertised his or their intention to register said fictitious name at least once a week for four (4) consecutive weeks in some newspaper as defined by law in the county where said registration is to be made, and said registration shall not be accepted by the clerk of the circuit court except upon receiving proof of such publication."

This means more money to you!

**NOW YOUR U. S. SERIES E BONDS CAN EARN INTEREST
10 EXTRA YEARS**

ALL YOU WISE and patriotic people who bought United States Series E Bonds ten years ago and have held them can benefit by this new law! For according to this law the bonds you expected to mature finally in 1952 can now continue to earn interest every year for ten more years—till 1962—without your even lifting a finger!

To get this extra money, there's absolutely nothing you have to do. Just hold your bonds and let them go on earning!

If you wish, you may still cash any Series E Bond at any time after you've owned it for sixty days. But you'll be better off to hold your bonds, just as you're better off to hold savings in any form.

First of all, as long as you don't cash your bonds, you don't have to pay income tax on the interest they earn. In the second place, cash in the pocket melts away fast—often with little or nothing to show for it. But cash in bond savings is always there—growing steadily toward the big sum which can buy something really worthwhile. . . . And remember—the interest rate on Series E Bonds has been increased to 3% compounded semi-annually, when held to maturity.

So if you have bonds coming due, why not take advantage of your extra-income opportunity? Just sit back and let them go on mak-

ing more money for you. And meanwhile keep adding to your cash savings by buying more U. S. Defense Bonds regularly—through the Payroll-Savings Plan where you work. It's the easy, systematic saving plan that's so helpful because it lets you save *before* you even draw your pay. Thousands on the Plan say it's the one sure way to save.

3 NEW MONEY-MAKING OPPORTUNITIES FOR YOU!

*New Series H, J, and K
Defense Bonds pay 2.76% to 3%!*

If you want to get the interest on your bonds in the form of current income, or if you want to invest more than the annual limit for E Bonds, ask at any Federal Reserve Bank or Branch about these new bonds:

SERIES H. A new current income bond, available in denominations of \$500 to \$10,000. Sold at par. Matures in 9 years 8 months and pays approximately 3% interest per annum if held to maturity. Interest paid semiannually by Treasury check. Annual limit, \$20,000 maturity value. Issued only by Federal Reserve Banks and Branches and at the Treasury.

SERIES J. A new 12-year appreciation bond, available in denominations of \$25 to \$100,000. Sold at 72% of par value. Pays 2.76% compounded semiannually if held to maturity. Annual limit, \$200,000 issue price jointly with Series K Bonds.

SERIES K. A new 12-year current-income bond in denominations of \$500 to \$100,000. Pays interest semi-annually by Treasury check at the rate of 2.76% per annum. Sold at par. Annual limit, \$200,000 issue price jointly with Series J Bonds.

**NOW EVEN BETTER!
INVEST MORE IN DEFENSE BONDS!**

RAINBOW SPRINGS, DUN-
NELLON, Fla.—The new, official
tree of the State of Florida—the
Sabal Palm—will thrive on the
banks of the Rainbow River, near
Dunnellon. A ceremony dedicating
the first officially planted tree
climaxed the meeting of the execu-
tive board of the Florida Federa-
tion of Garden Clubs, held at Rain-
bow Springs Lodge and attended
by representatives from every sec-
tion of the state. Shown planting

the young tree are (left to right)
—Mrs. Halle Cohen of Jackson-
ville, immediate past president of
the Federation; Mrs. G. T. Smith
of Ocala, chairman of the legisla-
tive committee; and Mrs. Eugene
A. Smith of Fort Lauderdale, pres-
ident. Garden clubs have worked
for the past six years to obtain of-
ficial recognition of the Sabal (or
Cabbage) Palm and only last week
Governor Dan McCarty signed the
bill rewarding their efforts.

Lt. Betty Jean Wetherington Is Married To Sgt. Herbert E. Straughn On June 15

Lt. Betty Jean Wetherington,
USAF, daughter of Mr. and Mrs.
C. R. Wetherington, Sr., former
Canal Point residents now living
in Fort Lauderdale, and Sgt. Her-
bert Edward Straughn, son of Mr.
and Mrs. Edward Straughn of
Jacksonville, were married in the
First Presbyterian Church, Gulf-
port, Miss., Monday, June 15, with
Rev. J. N. Brown, pastor of the
church, officiating at the double
ring, candlelight ceremony.

The bride, given in marriage by
Capt. Jack Turner of the Base
Hospital, Biloxi, Miss., wore a ball-
erina-length dress of white lace
over blue taffeta. She carried a
white prayer book and a bridal
bouquet of white carnations.

Maid of honor and the bride's
only attendant was Lt. Ann Can-
non, who wore a street-length
dress of pink silk with navy acces-
sories and a corsage of pink car-

nations.

Robert McCracken served as
Sgt. Straughn's best man.

The bride is a graduate of Pa-
hokee High School, Class of 1946.
She also graduated from the
School of Nursing at Georgia Baptist
Hospital, Atlanta, following
which she served as superintendent
of the nursing staff at the
Everglades Memorial Hospital, Pa-
hokee, and on the nursing staff
at the Broward General Hospital,
Fort Lauderdale, before entering
the Service as a lieutenant in the
Air Force in March, 1952. She is
now stationed at the Base Hospi-
tal, Biloxi, Miss.

Sgt. Straughn is a graduate of
the University of Florida, Gaines-
ville, where he received a BS de-
gree in bacteriology. He is station-
ed at Clovis, N. M., where he is
serving as laboratory technician at
the Base Hospital.

Joint Installation Plans Complete

Final plans for the joint installa-
tion of new officers of American
Legion Posts and their Auxiliaries
of the Glades area to be held in
Pahokee American Legion Hall
Monday night, June 29, were made
by members of Fred and Percy
Mansfield Post 90, who will act as
hosts, at a meeting Monday night
in the Legion Hall. The installa-
tion will be preceded by a supper
at 7 p. m.

It was announced the improve-
ment program for the Legion
grounds is well under way, that
approximately \$400 worth of
palms and ornamental shrubs were
planted on the grounds in the
landscaping program during the
past week and preparations are
being made for the laying of side-
walks and the construction of
curbs at the parkway.

Perry Duke, house chairman,
was appointed in charge of the
Independence Day dance to be
sponsored by Post 90 in the Legion
Hall Saturday, July 4, starting at
9 p. m.

At the request of the Pahokee
Chamber of Commerce a poll was
taken at the meeting on the Le-
giionnaires' recreation to the cham-
ber's proposed music festival.

A new non-drip tinless can de-
signed for packing a wide range
of food and nonfood liquids has
been unveiled by American Can
Company. The driplessness is ac-
complished by a turned-in lip
which cuts off the flow of liquids
after pouring.

Paul Sasser Says Shell Has New Gasoline Product

Paul Sasser of the Glades Oil
Company, Shell distributors in the
Lake Region, announces a new
gasoline additive available on July
1. In commenting on the new fuel
Mr. Sasser said:

"Called TCP, this new ingredi-
ent is what chemists describe as
an additive. TCP, for the first
time, puts a halt to the major
cause of power loss in today's high
compression engines. It boosts
power as much as 15 percent.
Mileage and sparkplug life are also
increased.

"TCP achieves its beneficial re-
sults by rendering harmless cer-
tain deposits on sparkplugs and
other deposits in combustion
chambers. Until the advent of
TCP, these deposits caused faulty
sparkplug operation, especially
when the engine was accelerating.
They also caused pre-ignition of
the combustion mixture, resulting
in both power and fuel waste.

"By counteracting the power-
wasting effects of these deposits,
new engines are able to retain

their "new car" performance long-
er. Older cars take on new life.

"TCP is another example of
Shell's continuing fuel research.
And only Shell Premium has it...
the most significant advance since
the discovery of tetraethyl lead in
1922."

Fishing Licenses Now On Sale

TALLAHASSEE — Florida's
fresh water fishing licenses went
on sale this week and will be hon-
ored by wildlife officers even
though they are not effective until
July 1.

Charles W. Pace, newly appoint-
ed director of the Game and Fresh
Water Fish Commission, stated
that the licenses are being dis-
tributed to county judges who will
direct statewide sale.

Florida truck drivers have their
own lingo. For example, a "kidney
buster" is a hard riding truck; a
"rattle crate" is a truck hauling
live poultry, and a "cement mixer"
is a truck with a noisy engine or
transmission.

Mrs. Bordeaux Is Auxiliary Secretary

Mrs. J. H. Bordeaux was named
secretary of the Everglades Mem-
orial Hospital Auxiliary at a
meeting of the auxiliary in the
hospital office, with Mrs. Frank
Friend, president, presiding. Mrs.
Bordeaux replaces Mrs. James B.
Tripp who moved with her family
recently to Orlando.

Salary checks of the Northwest-
ern Palm Beach County Public
Hospital Board, totaling \$300,
were presented to the Auxiliary at
the meeting, this sum to go into
the auxiliary treasury for use on
hospital projects.

The auxiliary voted to purchase
equipment and utensils totaling
\$47.54 for the hospital kitchen.
Mrs. Clyde A. Canipe and Mrs.
Robert J. Schroder were named on
the committee in charge of this
project.

It was also voted to have the
nursery for Negro children at the
hospital painted and re-decorated,
Mrs. Arthur Larimore to be in
charge of this work.

Mrs. Friend was appointed to
select and purchase drapes for a
number of the hospital rooms.

KILOWATT**

MOST STORM DAMAGE

to electric lines is caused, not by
winds blowing poles down, but by
tree limbs and palm fronds blow-
ing into the wires.

Remember, our "Tree Surgeons"
are experts at pruning and trim-
ming... and a careful trimming
job strengthens the tree's root
system, makes it better able to
withstand storms, less apt to
split apart.

So when they discuss trimming
your trees, remember it's with
an eye to assuring dependability
of your electric service... and it's
in your tree's best interests, too.

Episcopalians To Entertain Bishop

The Rt. Rev. Henry I. Louttit,
D. D., bishop of the Episcopal
diocese of South Florida, will be in
Pahokee Saturday night and Sun-
day morning to make his annual
visitation of the church. On Sat-
urday night at 6 o'clock there will
be a covered dish supper at the Com-
munity building in Canal Point,
honoring the bishop.

On Sunday at 9 a. m. the bishop
will administer Confirmation and
celebrate the Holy Communion.
The new vicar of the Pahokee
church, the Rev. Marion Wendell
Hainlin, will be present as well as
the Rev. John Clarence Petrie, who be-
comes vicar of St. John's, Belle
Glade, on July 1. Hereafter Rev.
Petrie will visit Pahokee once a
month to celebrate Holy Commu-
nion until such time as the new
vicar is qualified. Mr. Hainlin will
live in Okeechobee where he is
vicar of the Church of Our
Saviour.

CAN CO. EXPANDS

PLYMOUTH — Completion of
the new building whose 220,000
square feet of floor space will
house American Can Company's
third can-making Florida plant,
was announced last week by S. D.
Arms, vice president of the firm's
Atlantic Division. Installation of
the most modern can-making ma-
chinery will begin at once and it
is expected that the plant will be
ready for operation in December.
